AGENDA FOR CONFERENCE, 0800, 31 JULY 44

Last hour, before beginning amphibious training - Now have a dual mission - 2 things equally important - POM + amphib. trng.

1. POM

AGP subject of Preparation for Overseas Movement.

POM charts.

Property records.

Prepare for both concurrently. A tightening up now in order. Must be as definite as possible. There is now a definite tightening up of requirements on the few units remaining in this country.

2. TRENCH FOOT

- TWX direct this msg immediately

TWX III Corps. - May, 195.

3. REPORT ON OFFICERS RELIEVED

III Corps ltr. requirement, that on relief of officer of any grade, a report be made of same, regarding relief of whether disciplinary proceedings have been started.

4. MOTOR VEHICLES

Drivers names. - Some lack drivers names at proper places  
Markings (unit and weight). - Some lack at proper places

Maintenance.

Use of, for recreation, etc. (AR 850-15). - 1900 left part on use of for recreation, etc. by Department. No law, but there is authority in Reg. Major Comd's to authorize only those units which are necessary to be maintained. May take company to beach - go no more.

Mixed parking. - None permitted. - Official cars & civilian vehicles not to be parked together. No mixed parking.

5. USE OF BANDS

Div Band. - furnishes music to our units, including V. S. O.

Unit orchestras (G-1 instructions). - follow Ar. 291, 1942

6. UTILIZATION OF PERSONNEL

AG instructions. - Reclassification + Reassignment of physically limited personnel. with civilian personnel.

7. CURFEW

- No longer have curfew on Sat. night - this one applies to all personnel. time based. Home other nights unchanged. Curfew applies to both O + K M.

~~Staff conf.~~  
~~for [unclear]~~

8. HERGE-BIKING

still prevalent. - still going on - Div. Comdr. wants  
Must be stopped. ~~stopped~~. Wants men out to ride  
where want have traffic space limited

9. DENTAL OFFICERS

- Two now available - situation unlike  
1st priority - dental work. *pt. v. c. w.*

10. MARCHING

On side of road. - No file closers or cmdrs. in  
No file closers. *middle of road - for common sense idea of utilizing the road.*  
Leaders keep out of middle of road.

11. CONSERVATION

- New C. F. of A. F. F. very much concerned.  
Importance to national effort.  
Prizes.

12. SURVEYS

Command supervision. *worst record in brackets + shortage 357%*  
Record at FT LEONARD WOOD. - *ctr. from Ft. Leonard Wood, says record of Div. as per best of that of any Division that had been through there. No surveys, no advantages in Hq. Co. + Signal Co.*

13. OFFICERS LEAVES

To start 9 Aug. ->  
Not to interfere with important training.

14. CONFINEMENT OF EM

- Keep men out of guard house if you are going  
Confinement other than here. *to the [unclear] ever when you go to fight*  
Send for men early. - *29 conf. 7 hqs*

15. TRAINING

Schools about to start. - *work time in sending for men. 22 conf. elsewhere - don't*  
III Corps.  
Intelligence training (G-2 will publish). - *Complete system of running all of schools.*  
Army Ground Force schools.

16. REALISM IN TRAINING

- surprise on everyone, that when do this  
thing for record, enemy will be cheating back. Some of units  
are practicing bad habits. Have learned lots of bad habits in  
maneuvers and exercises, and have almost time to correct  
them.
